"Steering Column" (column by the president)

NOTE: The MARC-SC was the official name of the club until late in 1957 when the club officially becomes MAFCA. Important decisions are reported in the "Steering Column" and National Newsbriefs after 1960. This event should not be confused with the **MAFCA National Meet and Convention**. After 1956, the Annual Banquet and Annual Meeting were combined into a single dinner-meeting event. The various names given to this event over the years reflect the gradual transition from a business function to a social function.

"Chapter Chatter"

NOTE: The Membership Roster is a booklet published periodically by the club (beginning in 1957) listing all members and their addresses. In the years 1958, 1959, and 1960 (only) it included a list of the cars owned by club members and was titled Membership Roster and Car Register. The register portion of the roster was discontinued in 1961.
