*These locations have special events planned. The Kickoff at Old Sacramento will be at the California Auto Museum; it includes a full meal. For east to west travelers, the main registration, as well as a great, no cost, kick-off party, will take place in Riverside, Missouri on June 18. At St. Joseph, the fee covers entrance to the Jesse James home, the Patee House Museum, and dessert served at the Patee House in the same room the Pony Express riders received their training. A mid-day stop in Ely, Nevada offers a train ride and a tour of the train station. The event at Fort Caspar includes a great meal. These activities are only offered on the outward bound legs of our journey, not on the return route. While overnight stops are identified, you can eat anywhere you like, stop and see attractions, etc. Any costs associated with these activities are your responsibility.

**You must have your Pony Express Registration Number to make hotel reservations in Eureka, as accommodations there are limited. The next town with accommodations is Ely, Nevada, approximately 90 miles away.
